

## Austria

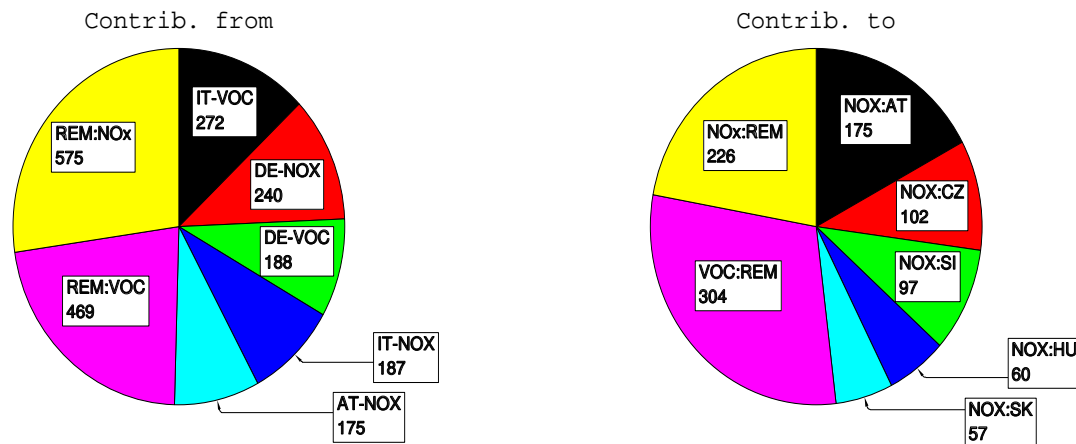

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
AT	3	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Belarus

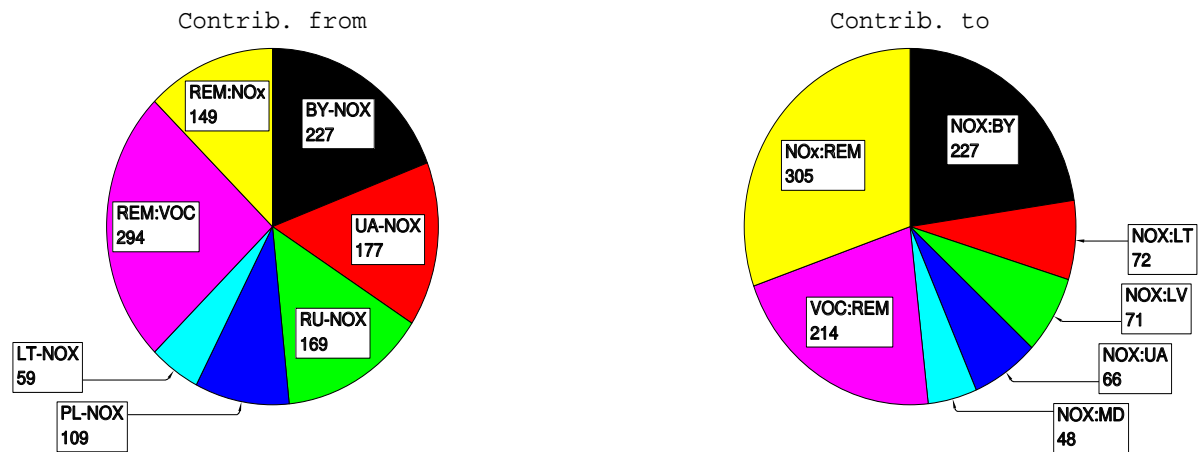

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
BY	-	-	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Belgium

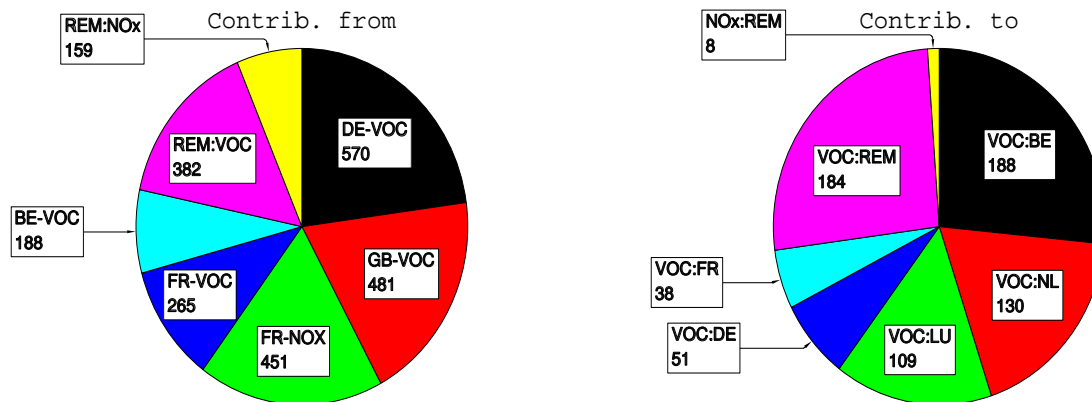

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
BE	-	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Bosnia and Herzegovina

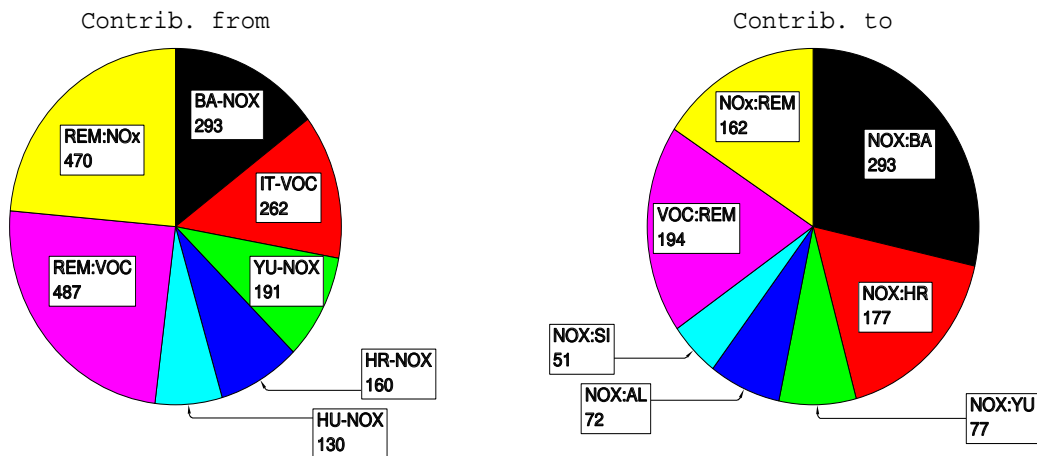

#### Overview of ozone and VOC data reported to EMEP 1998

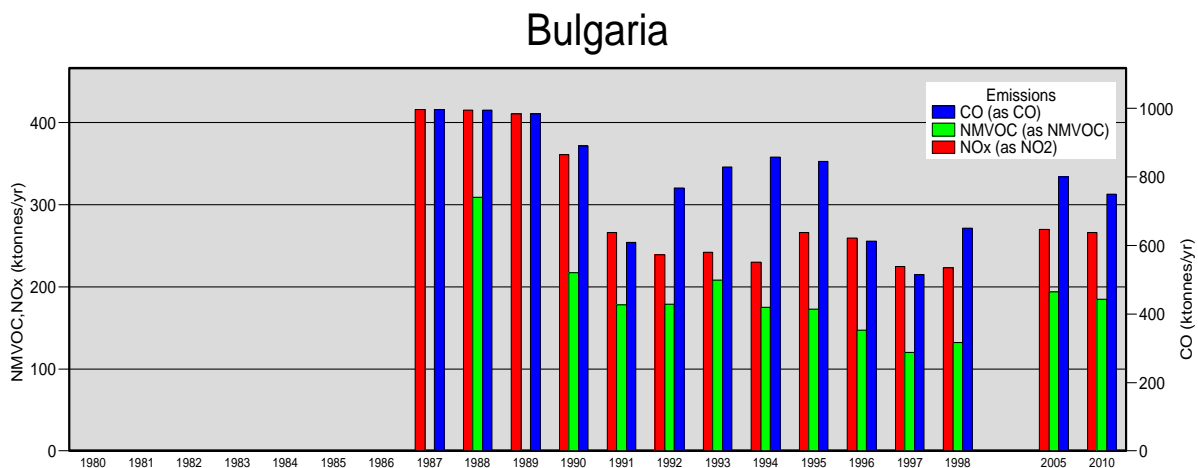

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
BA	-	-	-

#### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

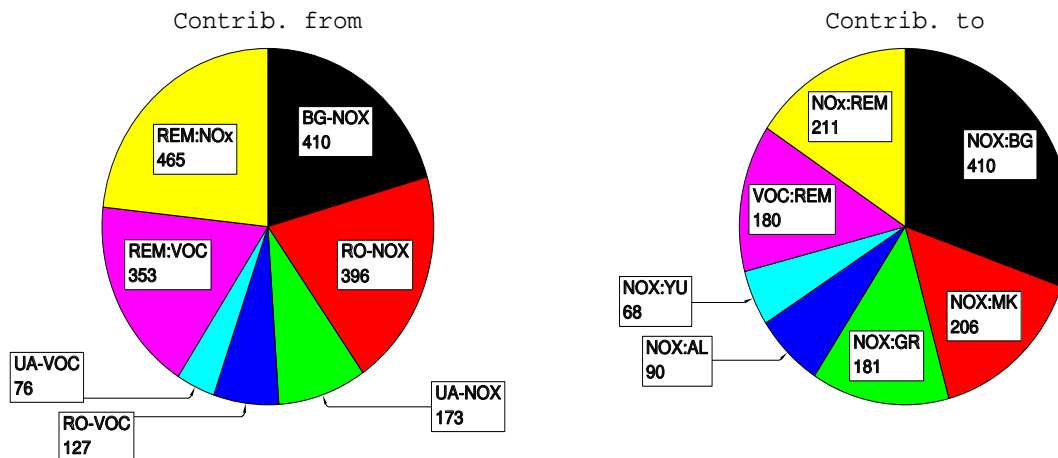

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
BG	-	-	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Croatia

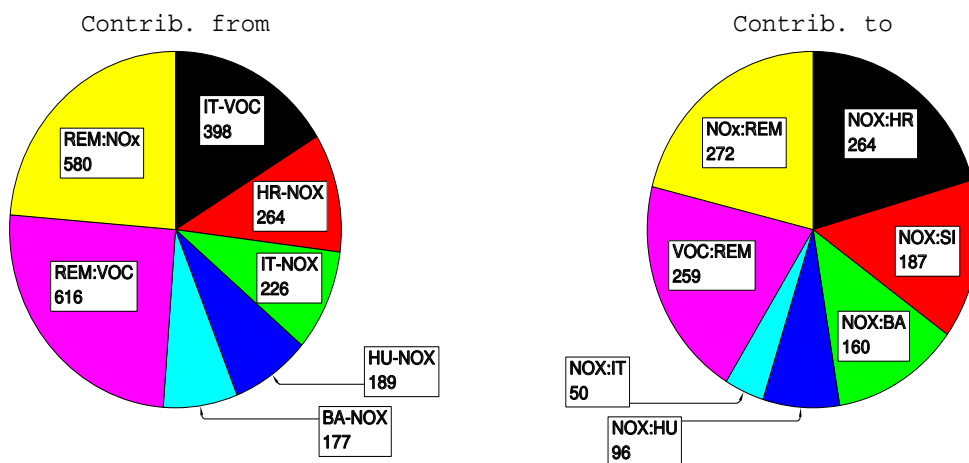

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
HR	-	-	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Czech Republic

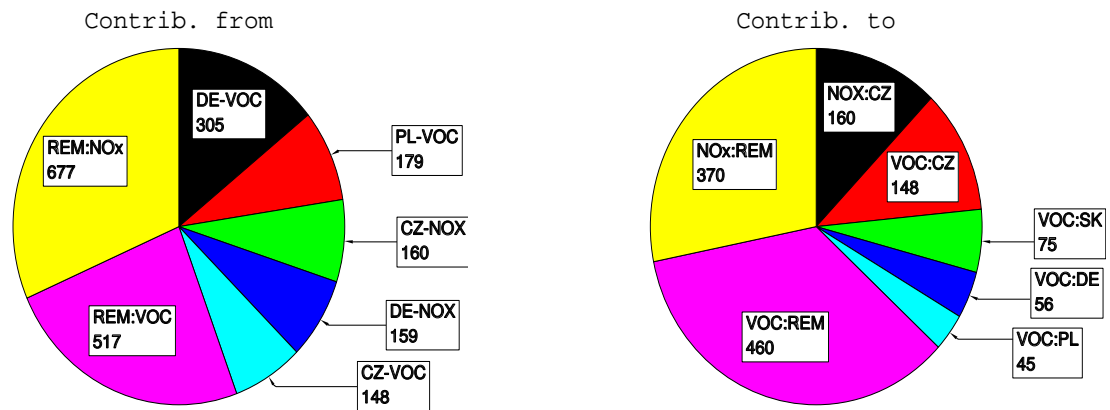

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
CZ	2	1	1

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Denmark

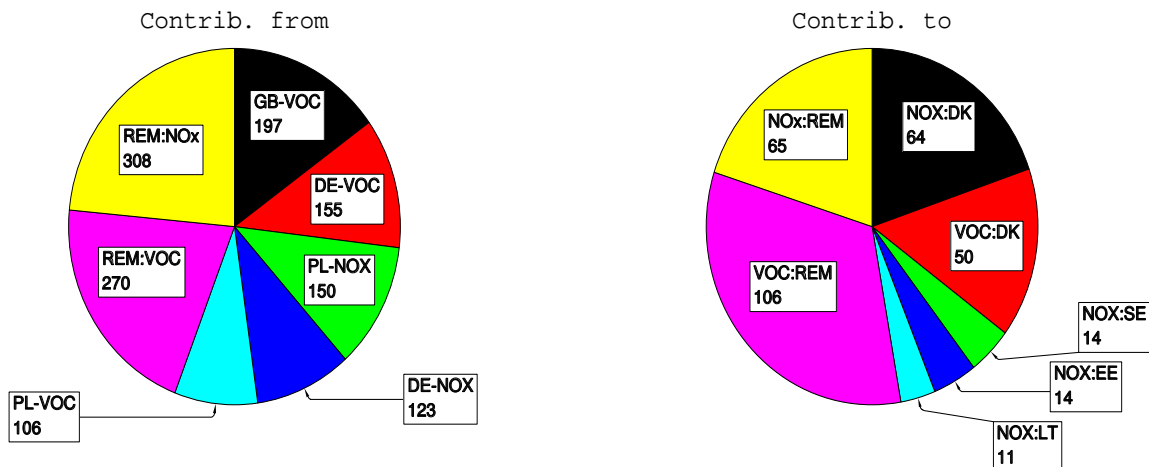

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
DK	2	-	-

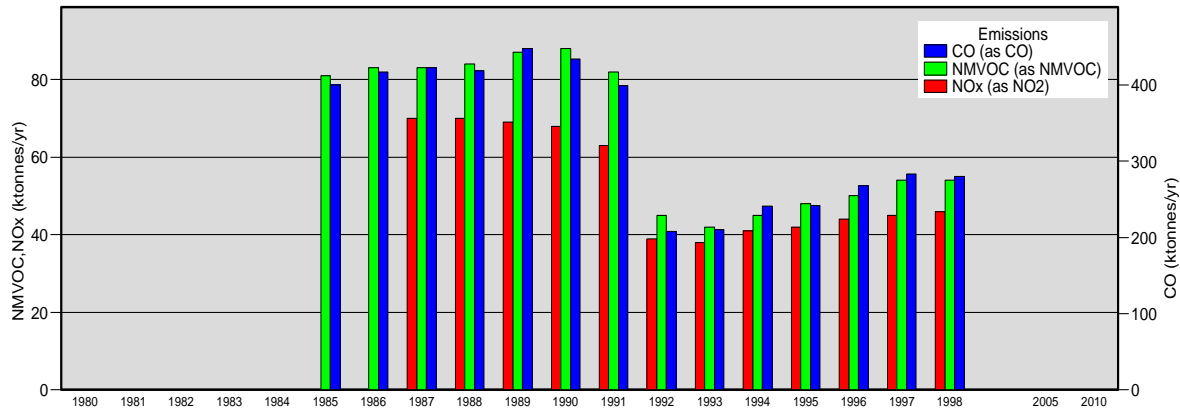

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Estonia

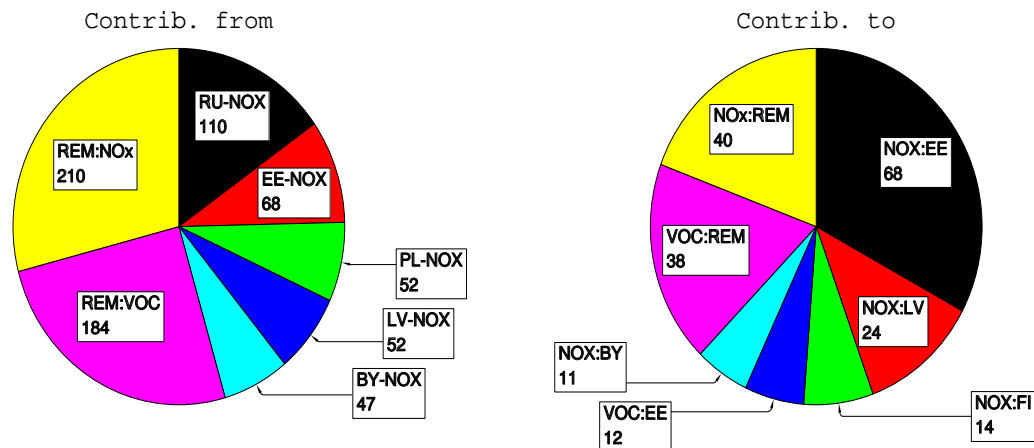

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
EE	2	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Finland

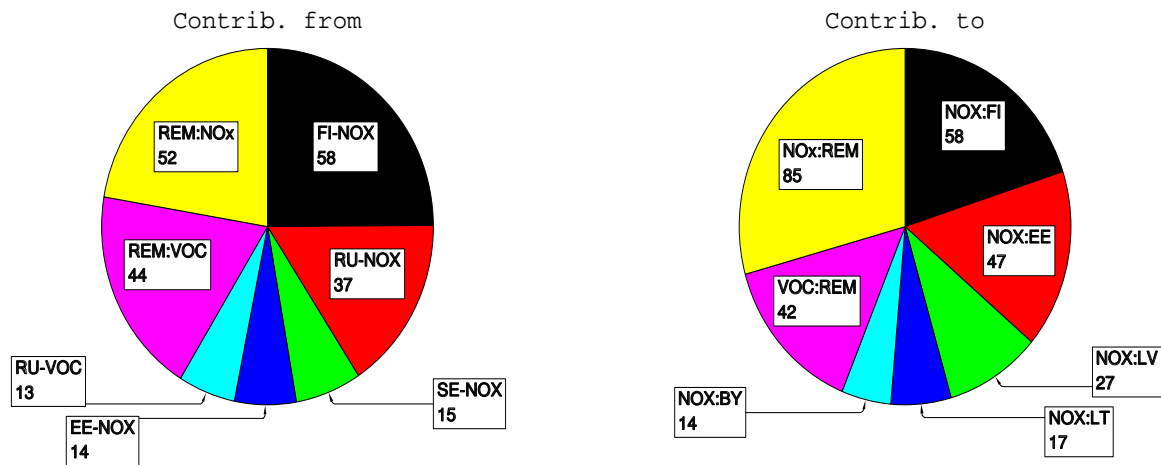

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
FI	4	2	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## France

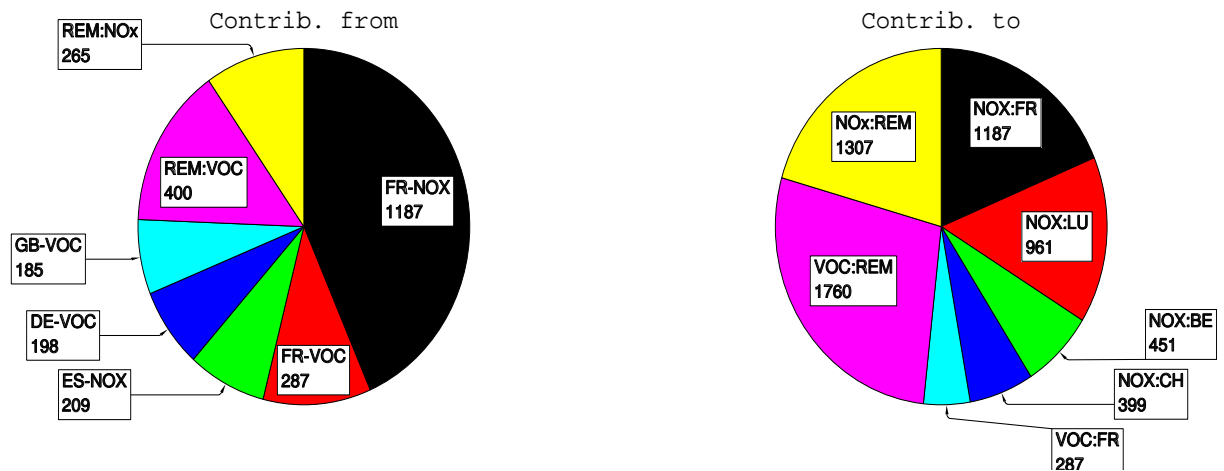

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
FR	4	1	1

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Germany

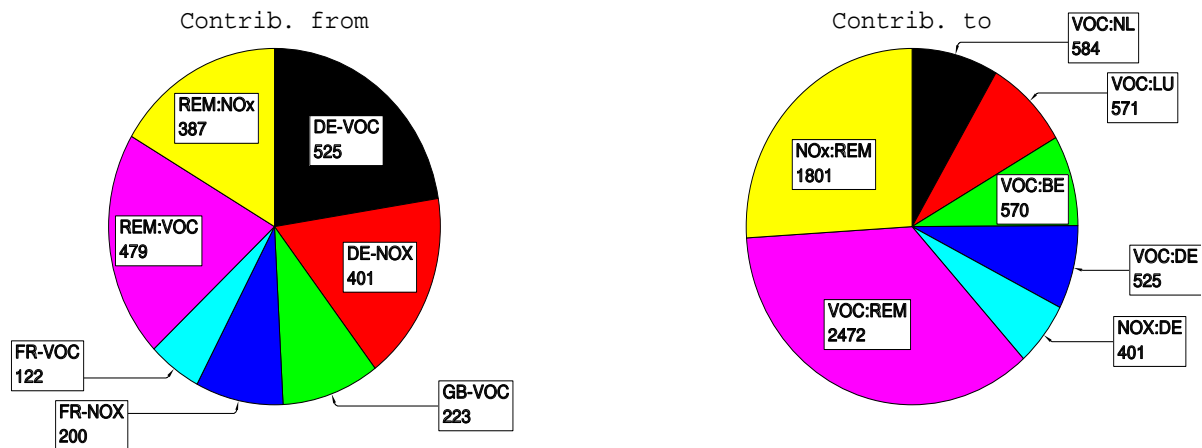

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
DE	16	1	1

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Greece

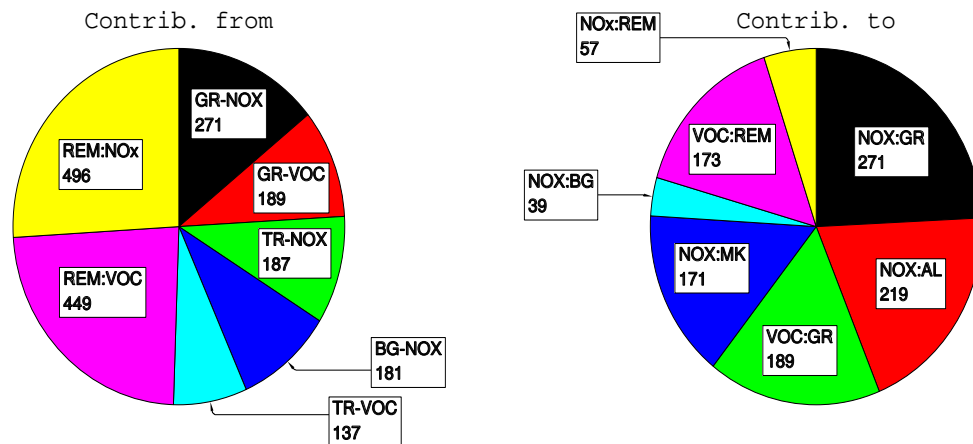

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
GR	1	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Hungary

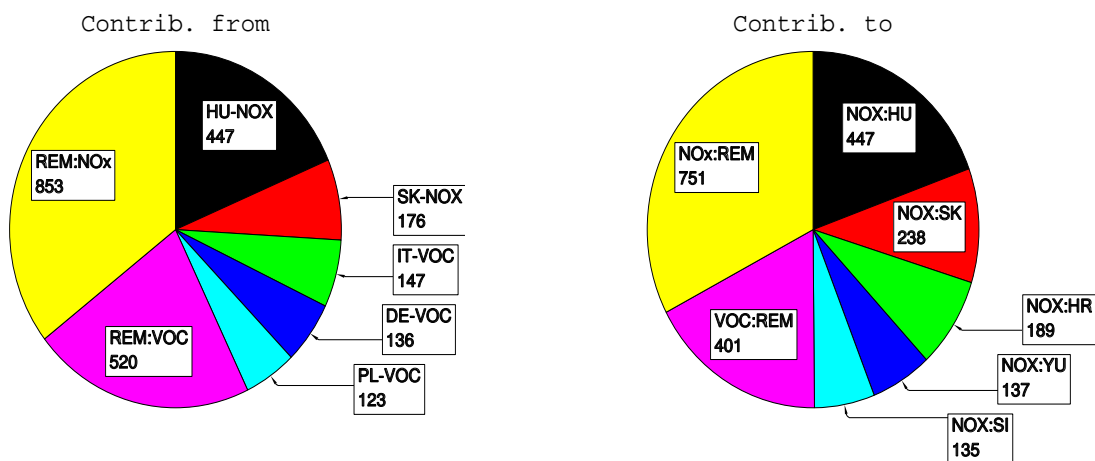

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
HU	1	-	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Iceland

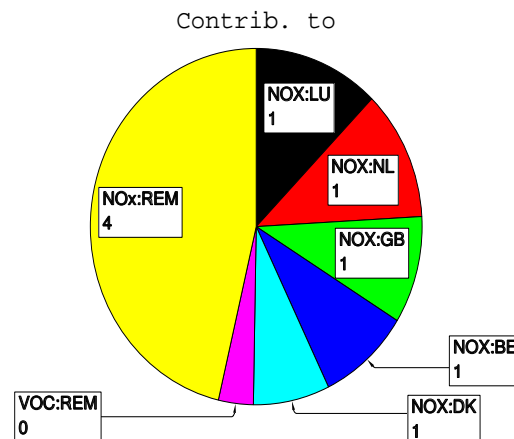

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
IS	-	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Ireland

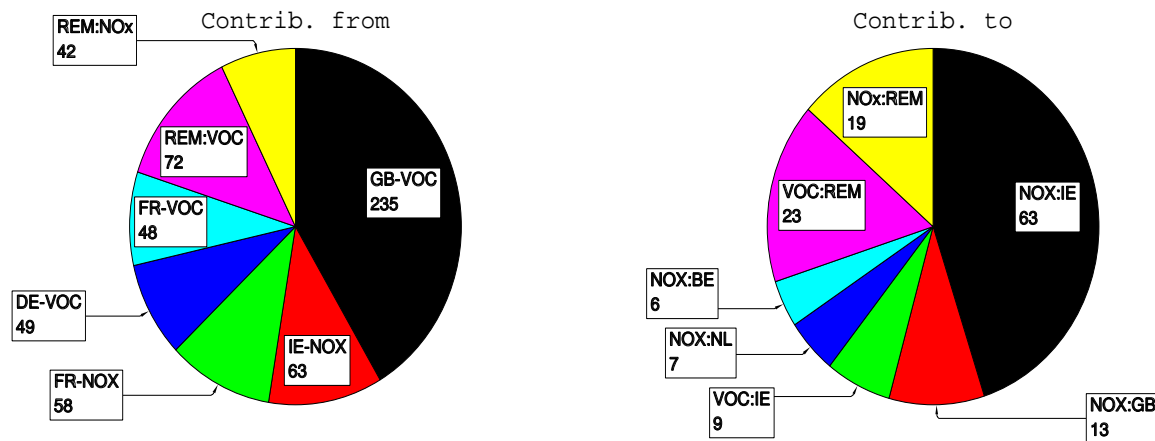

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
IE	1	-	1

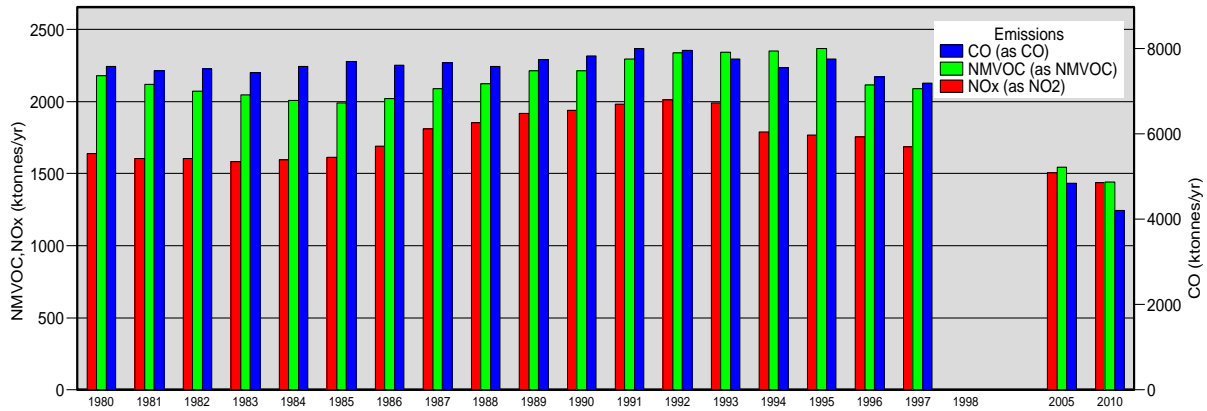

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Italy

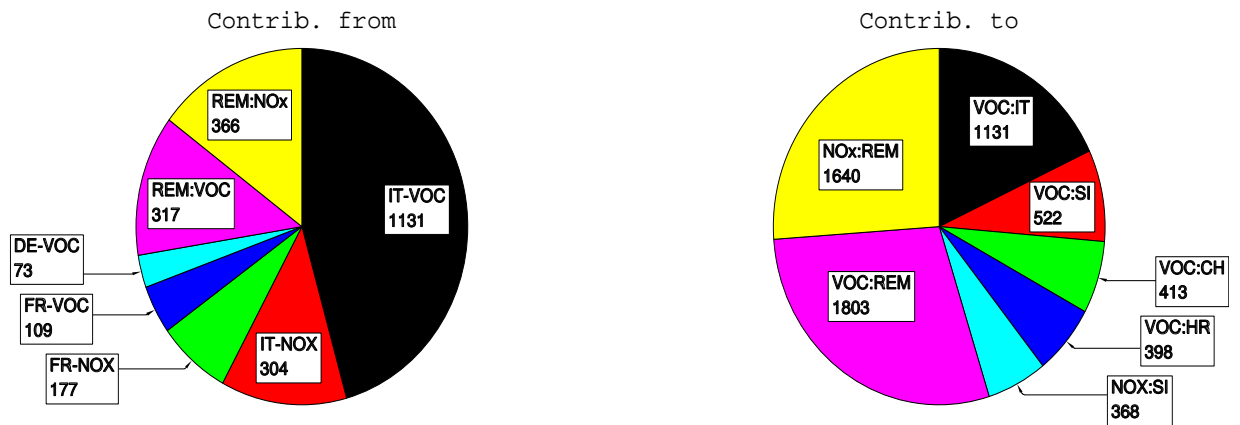

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
IT	2	2	2

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Latvia

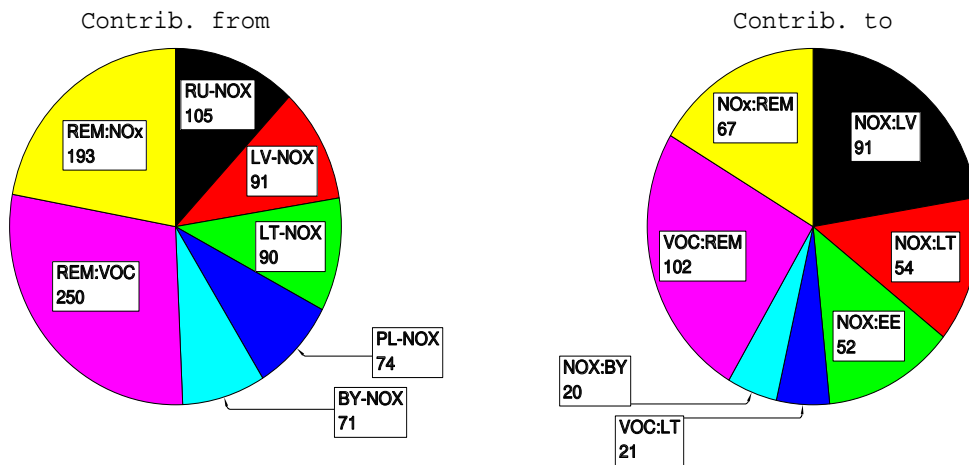

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
LV	1	-	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Lithuania

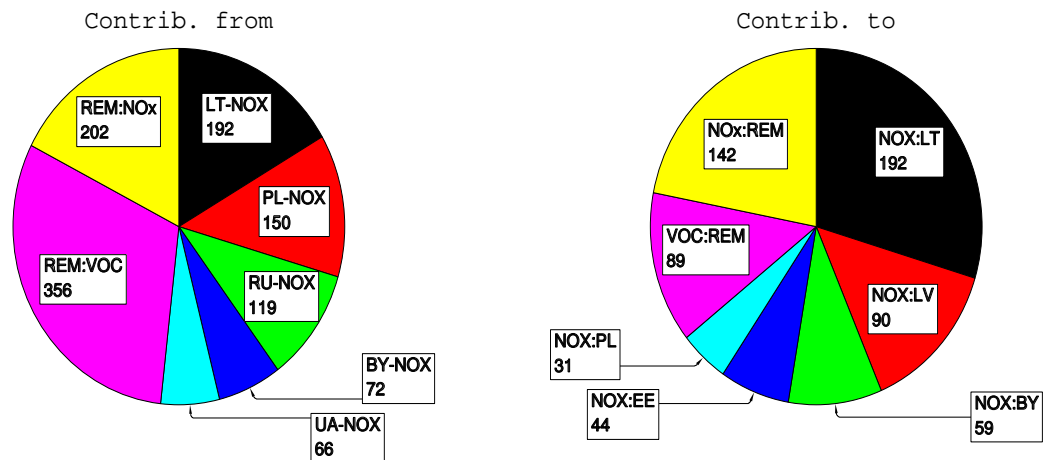

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
LT	1	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Luxembourg

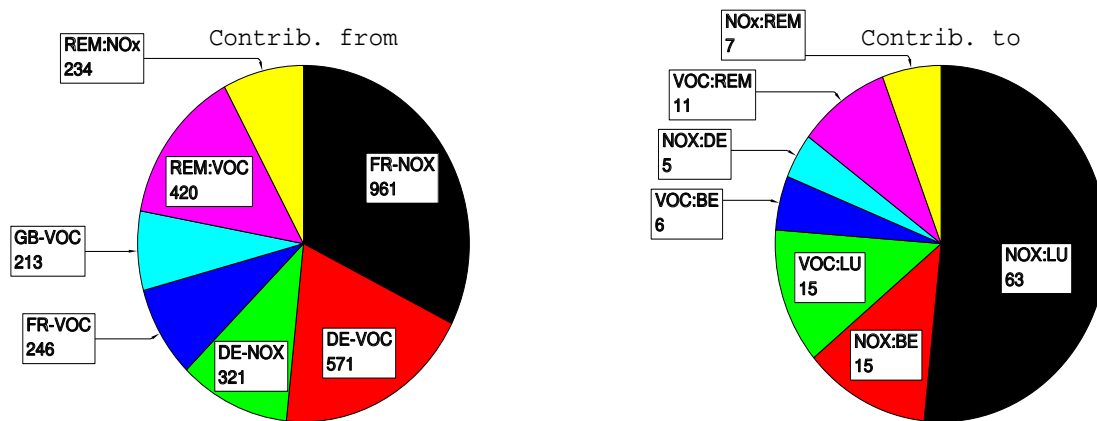

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
LU	-	-	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Netherlands

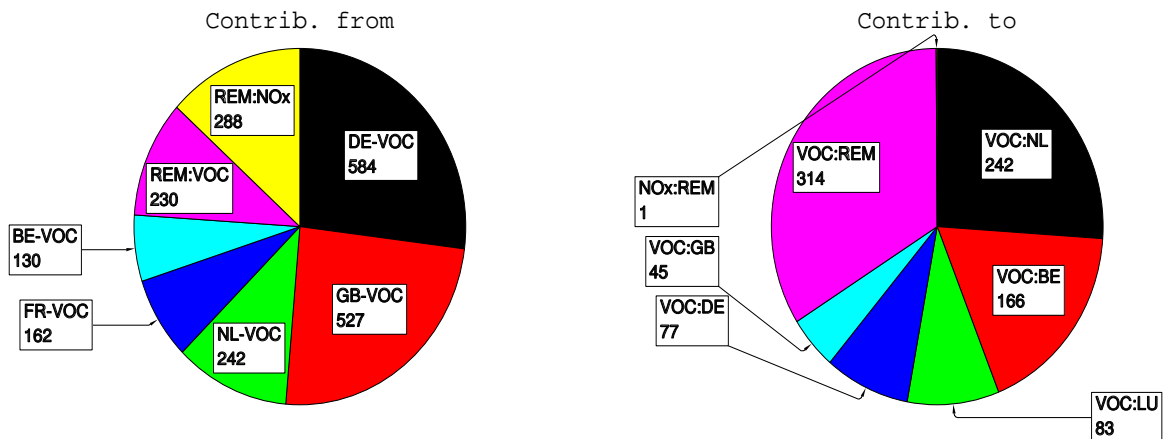

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
NL	2	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Norway

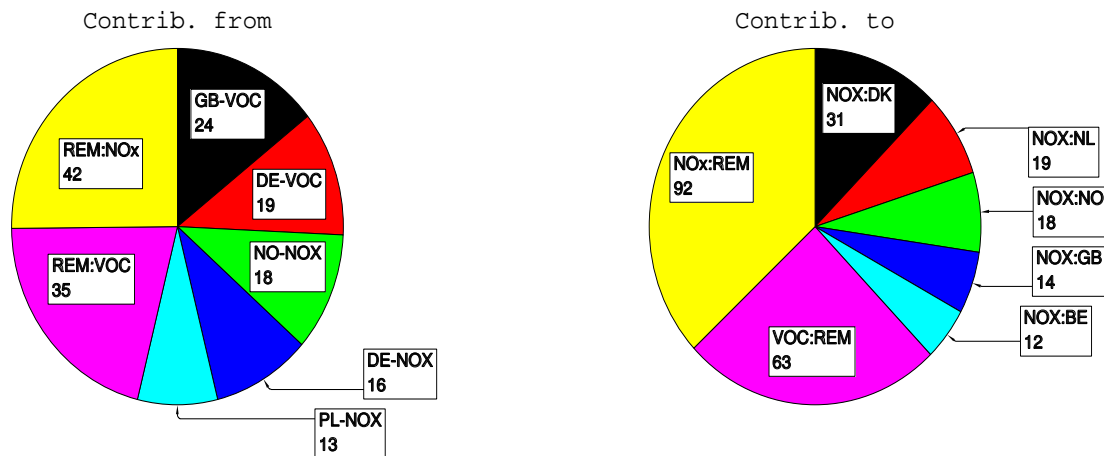

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
NO	11	1	1

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Poland

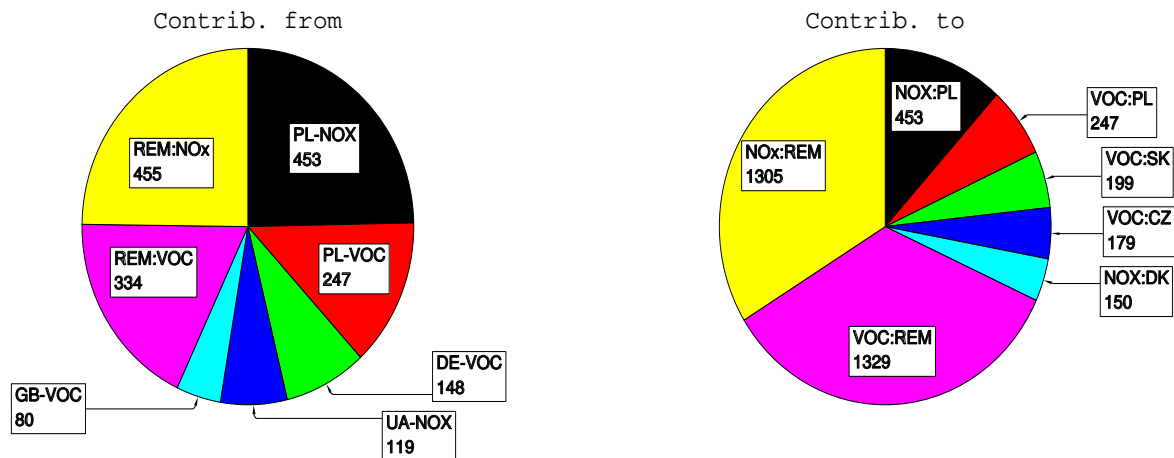

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
PL	4	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Portugal

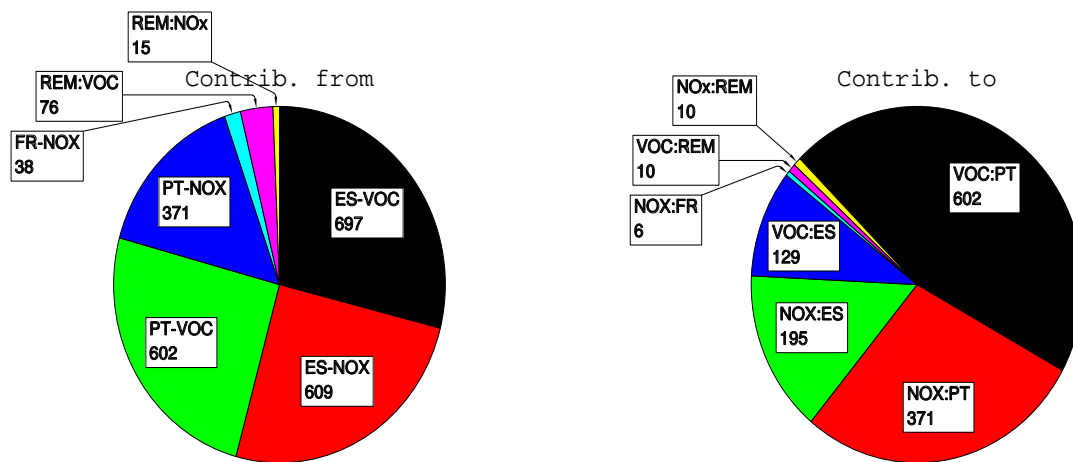

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
PT	1	-	-

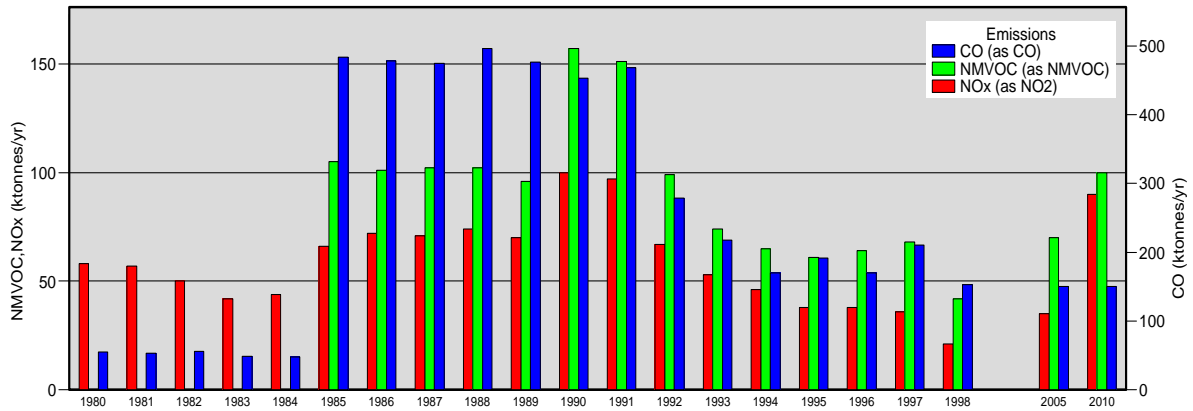

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Moldova, Republic of

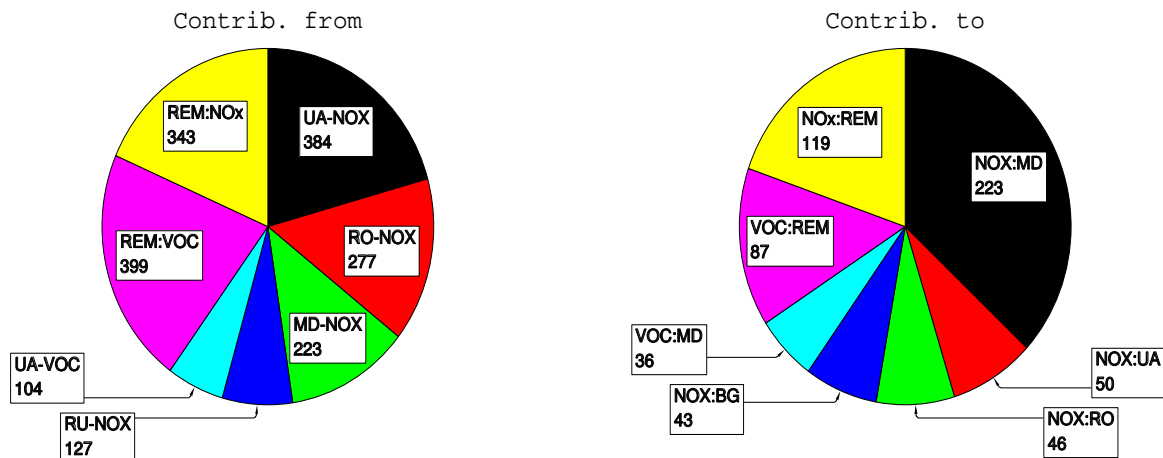

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
MD	-	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Romania

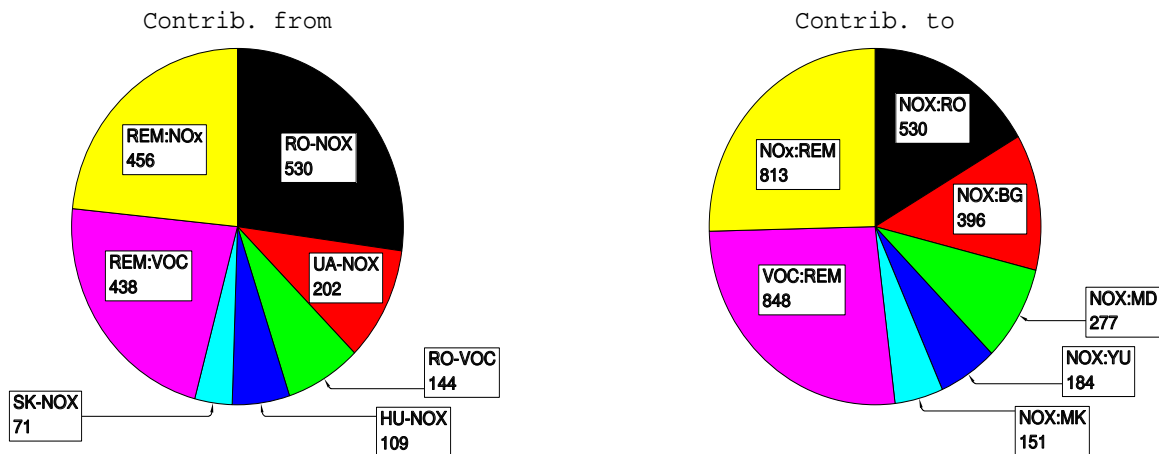

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
RO	-	-	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Russian Federation

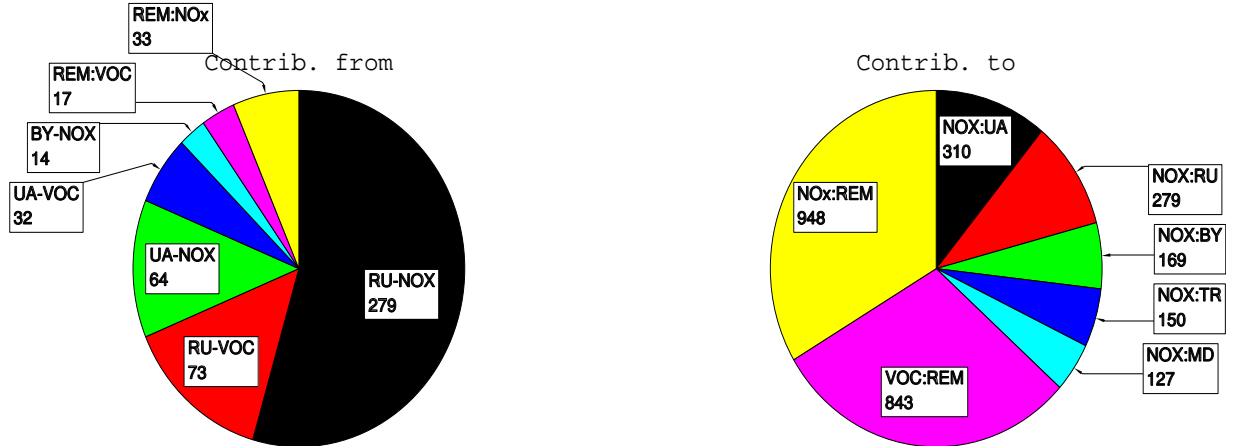

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
RU	3	-	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Slovakia

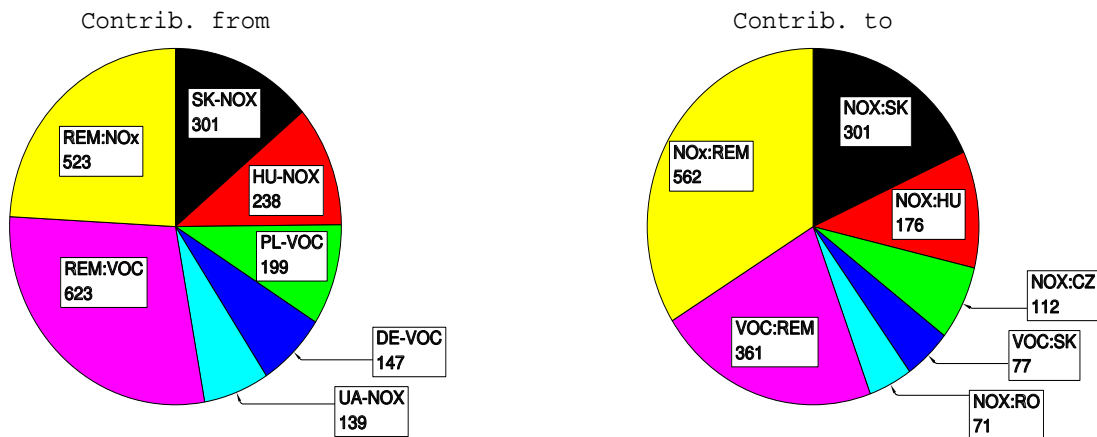

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
SK	3	1	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Slovenia

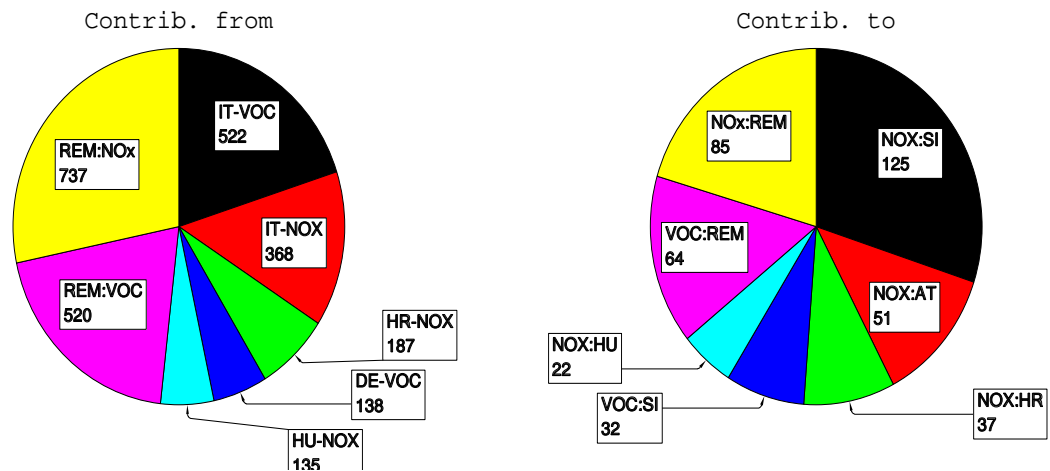

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
SI	4	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Spain

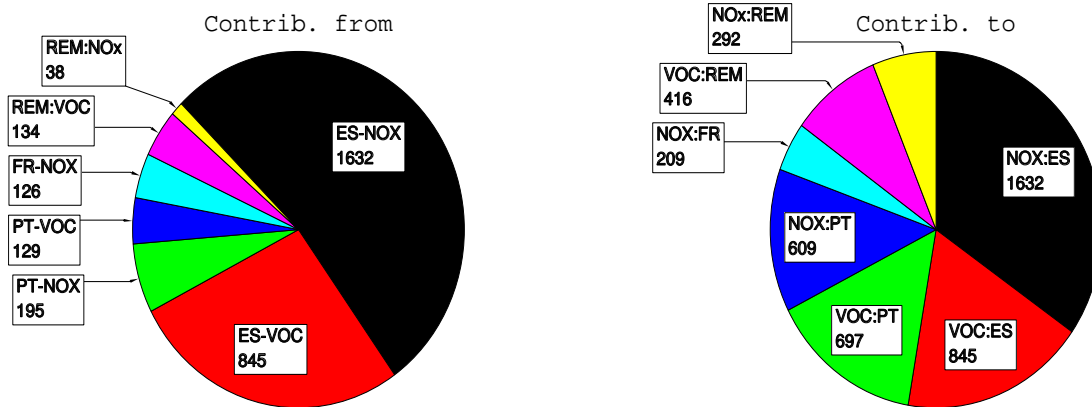

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
ES	5	-	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Sweden

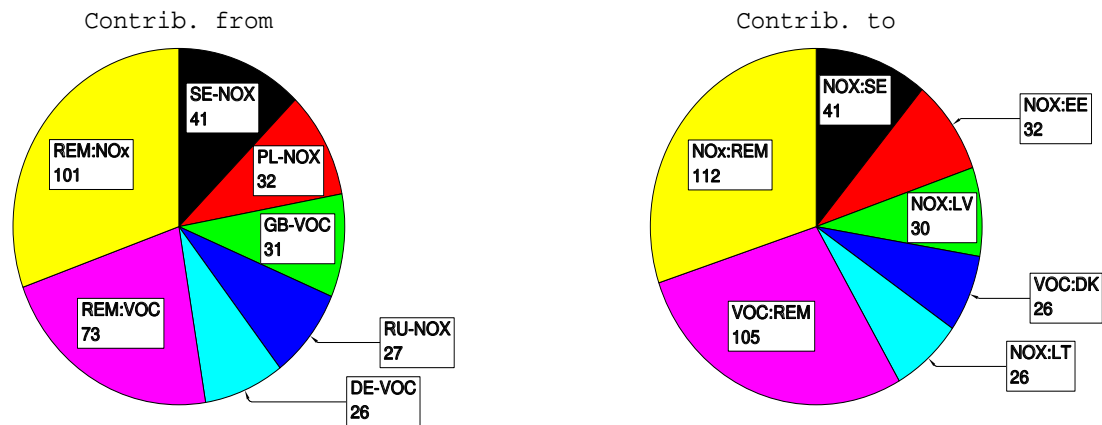

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
SE	6	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Switzerland

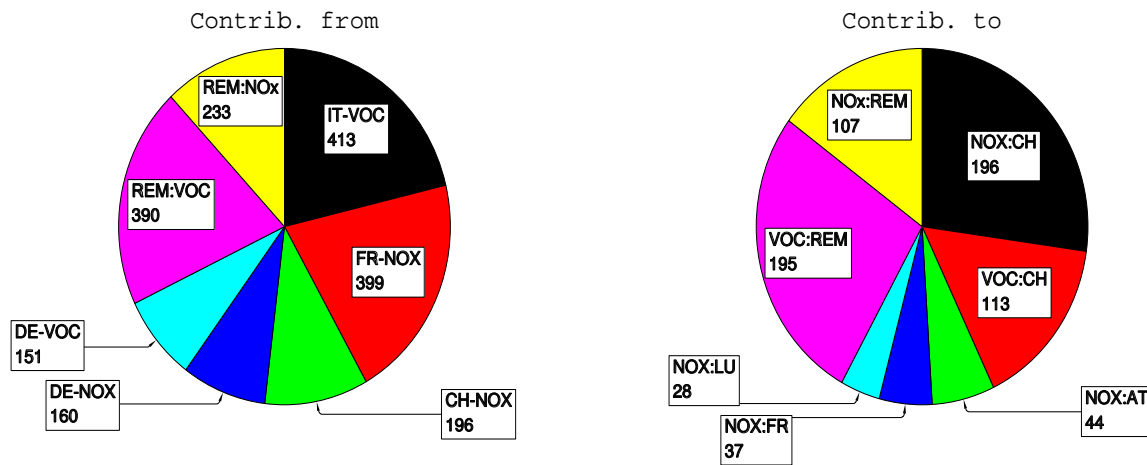

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
CH	4	1	-

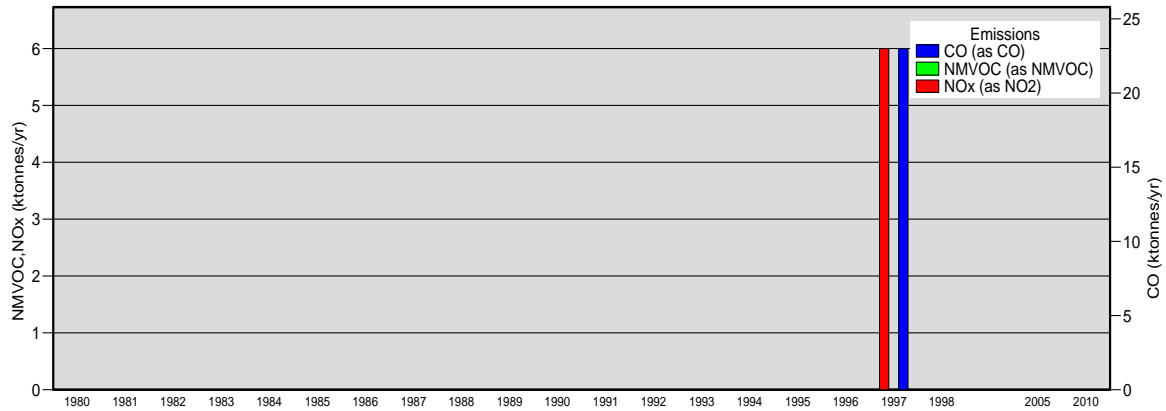

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## The F.Y.R. of Macedonia

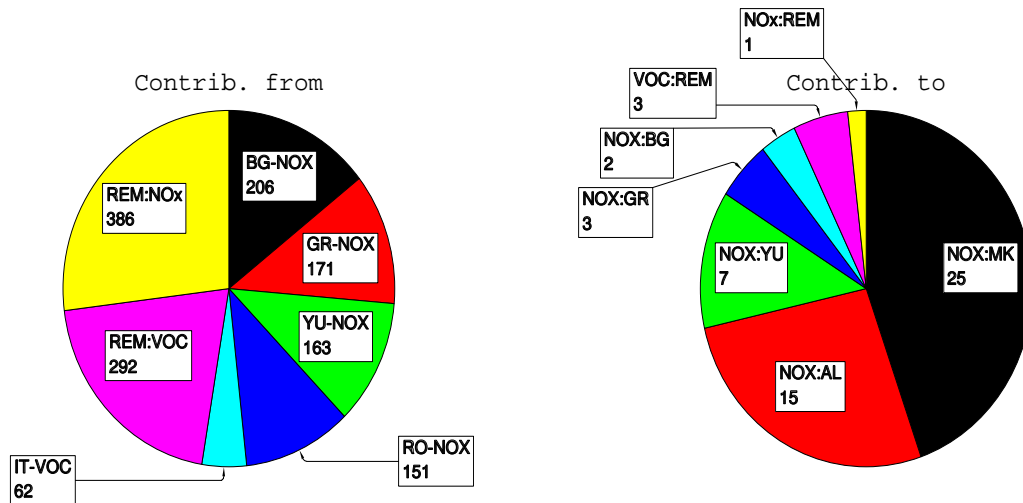

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
MK	-	-	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### Turkey

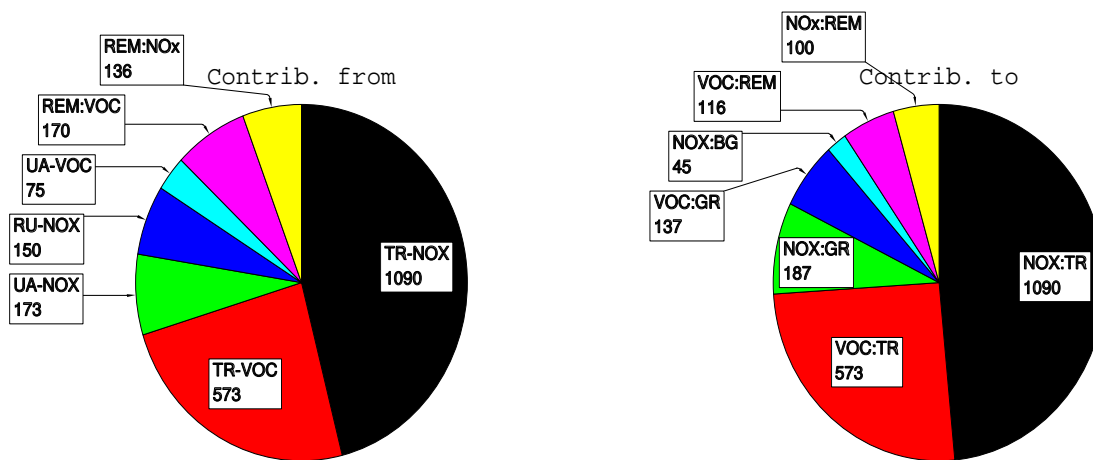

#### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
TR	-	-	-

#### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Ukraine

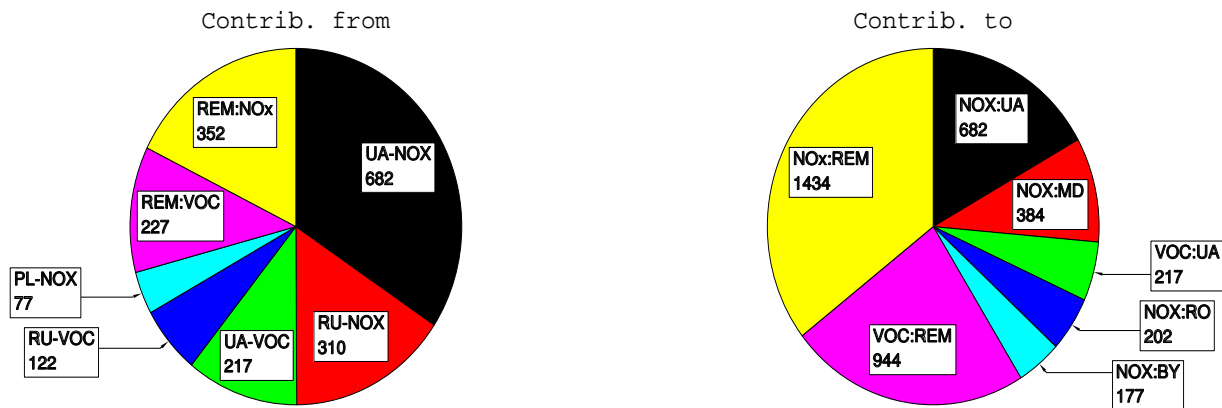

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
UA	-	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

### United Kingdom

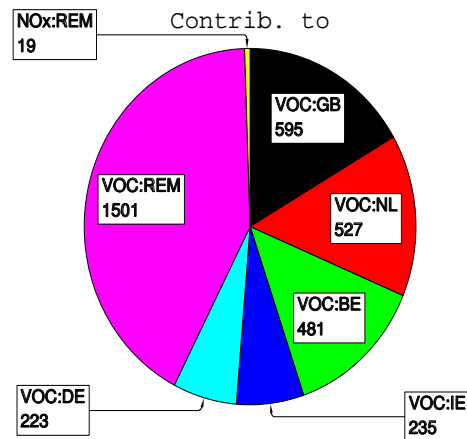

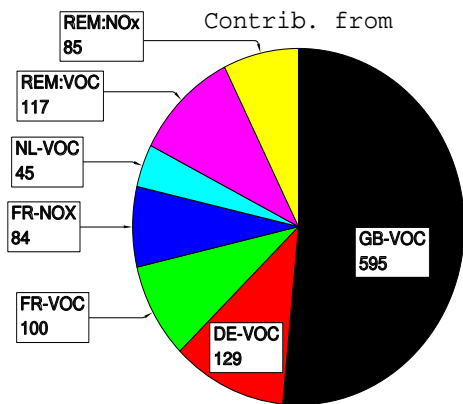

### Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
GB	17	-	-

### 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>

## Yugoslavia

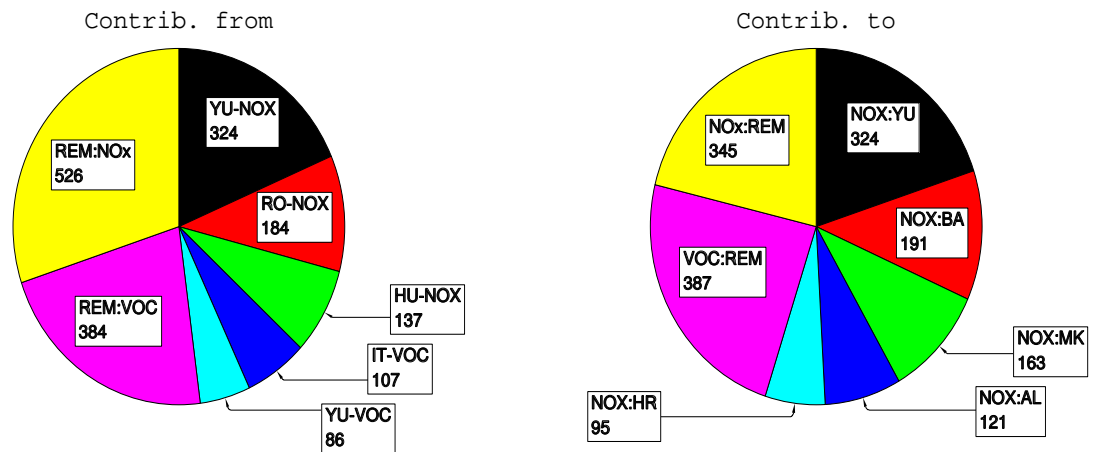

## Overview of ozone and VOC data reported to EMEP 1998

See Appendix B for details

	No. Ozone sites	No. hydrocarbon sites	No. Aldehyde/carbonyl sites
YU	-	-	-

## 5 years averaged pie charts for AOT40c (ppb.h)

All data presented on these pages can be accessed as ASCII data files at <http://www.emep.int>
